SENT TO THE NAUGHTY STEP, EVERY WEEK!

Nanny for Andy Carroll!

Only our own Harry Poppins can help!

Crikey! Andy Carroll's been a bit of a naughty boy recently, hasn't he? On the pitch he's pure class, but it's his off-the-pitch antics that we're really concerned about.

With sexy parties at his mate's house, court cases pending and getting teammate Kevin Nolan into all sorts of strife, we decided he needs a nanny to keep him on the straight and narrow. And with Fabio Capello eyeing the pony-tailed striker after Wazza's rubbish form, we wanted to ensure Carroll doesn't go the same way!

So, we sent along our own "Harry Poppins" to scour the streets of Newcastle, to track the big man down and give him a spot of TLC.

Messages from the Toon!

MATTHEW, 17, NEWCASTLE

"Sending a nanny to look after Andy Carroll is a great idea! I think he needs looking after as he's always in the papers for something he's done!"

JACK, 18, NEWCASTLE

"I'm a big fan of Andy Carroll. If he concentrates on his football rather than his partying, I think he'll be the perfect striker for England!"

JOSH, 19, HULL

"He's a young lad who needs a good old-fashioned lady to take care of him! He's a decent player and we could certainly use him at Hull City!"

ADAM, 18, BURNLEY

"I'm glad Nuts cares about taking care of our players, what with the way some footballers act these days! Carroll's a great impact player who England need – most definitely!"

SAM, 18, NEWCASTLE

"He's a hero of mine! He can be the new Alan Shearer for England and Newcastle if he behaves himself off the pitch. Sending him a nanny is a great idea!"

It's I'm A Celeb's Kayla Collins!

**Just add bikini and
an Aussie waterfall!**

The producers of *I'm A Celebrity... Get Me Out Of Here* really are stretching the credibility of the world "celebrity" with the inclusion of Kayla Collins this year. That said, the TV executive who decided to swap Gail Porter for a *Playboy* Bunny gets a pint and a back pummelling from us.

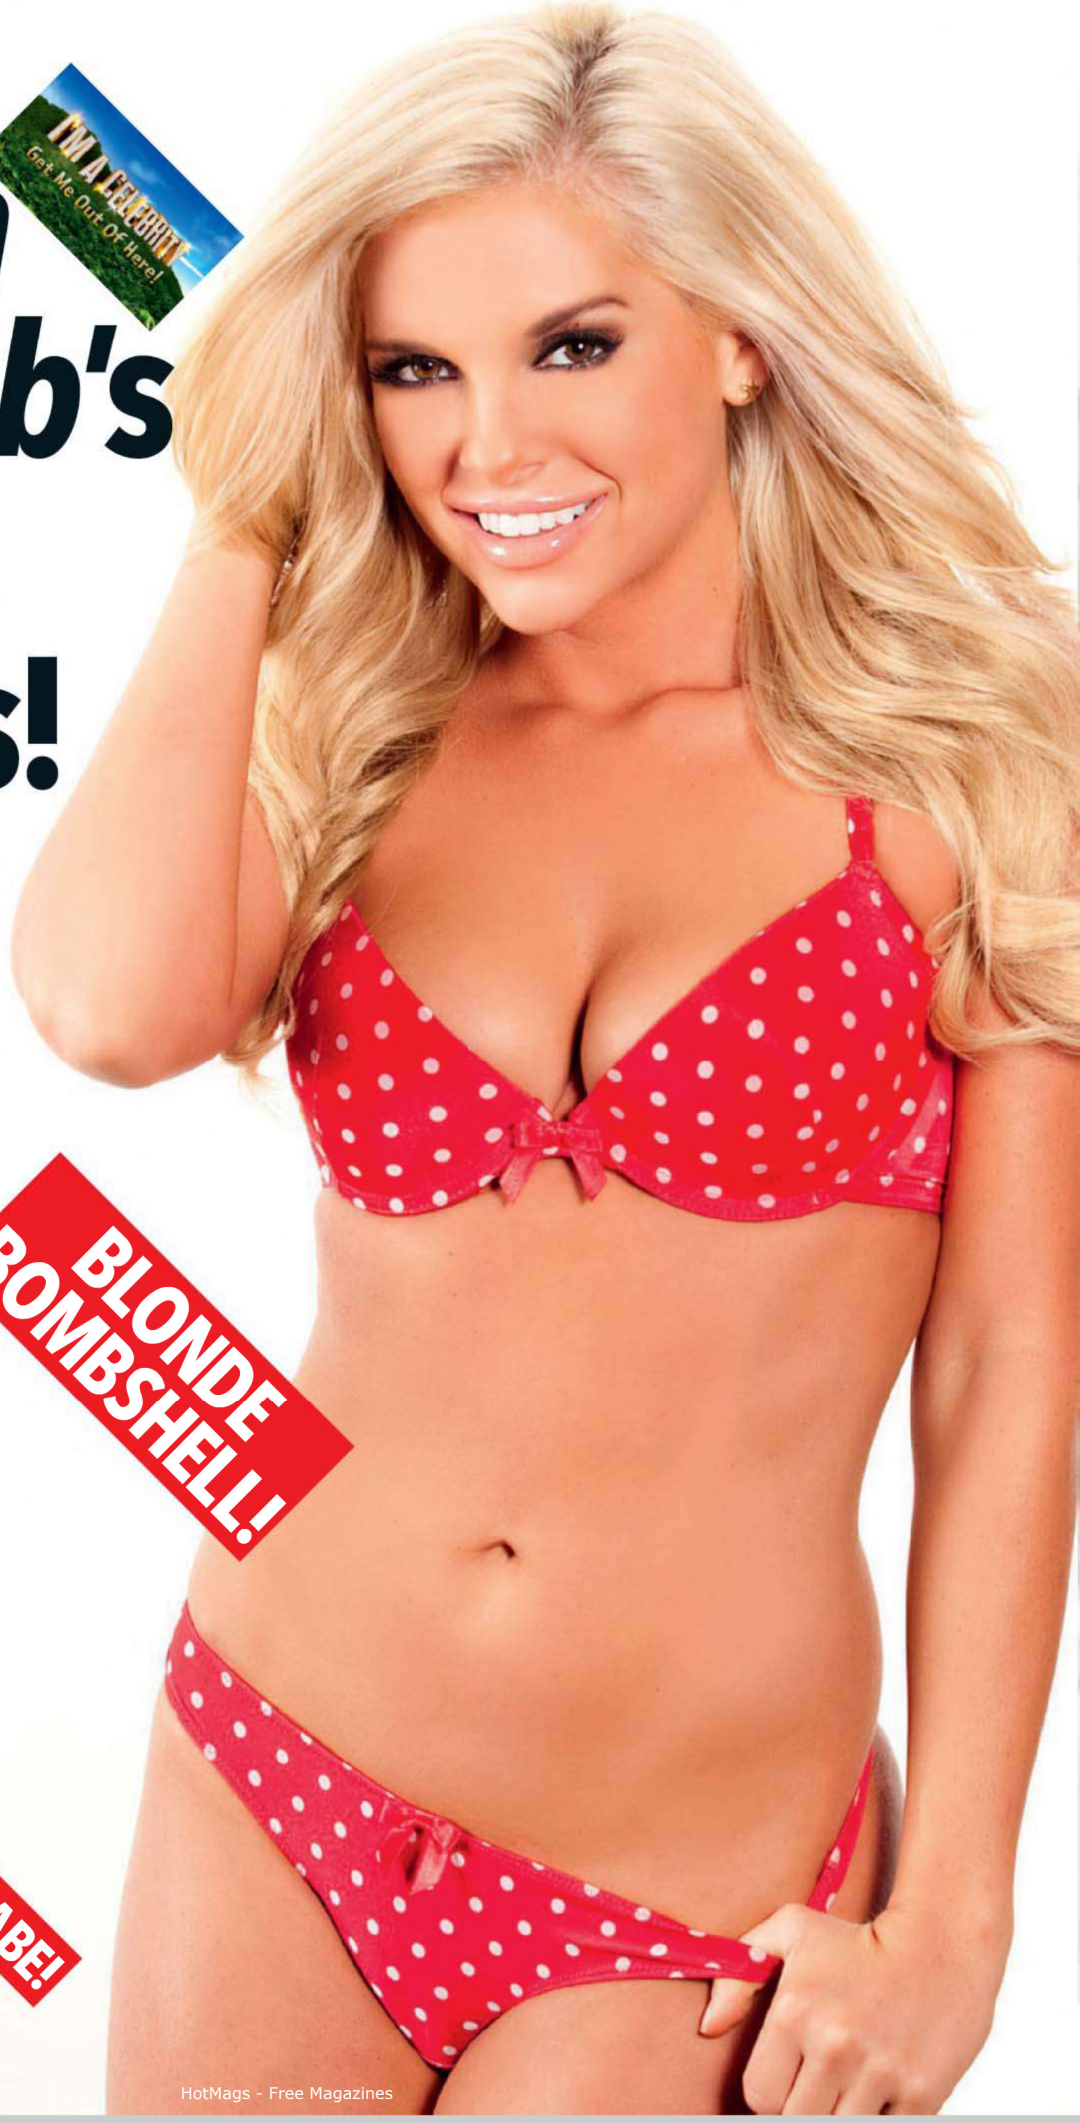

Kayla, from Reading (USA, not just off the M4) was Playmate Of The Month in August 2008, and calls herself "The Playmate Entrepreneur, AKA The *Playboy* Energizer Bunny" on Twitter.

Other notable traits include her love of Alfabetti Spaghetti, that she attended a Halloween party as Hip-Hop Barbie, and that she's an early riser who's never up later than 8am. Incredible stuff!

GUN-TOTIN' CYBORGS!

There's a scary future world rammed full of shiny, angry, tooled-up robots!

Is this 2011's best movie?

A sneaky peek at *Sucker Punch*!

With *Dawn Of The Dead*, *300* and *Watchmen* already under his belt, we'll watch anything helmed by US director Zach Snyder. His next flick *Sucker Punch* has got us very excited. It's the yarn of hot blonde "Babydoll", who's confined to an

asylum by her evil stepfather, but escapes the nightmare by entering fantasy worlds (with her four hot chums) to find objects that'll help her avoid her fate.

Snyder describes it as "*Alice In Wonderland* with guns," and if these screens are anything to go by, he's dropped a bomb!

NAZI ZOMBIES!

On one of the worlds, the girls take on hordes of steampunk Nazi zombies! Obviously.

THERE BE DRAGONS!

The girls have to steal fire from a dragon. And it's definitely not a weedy *Harry Potter* one!

MECHA-SAMURAI!

Babydoll takes on a 10ft-tall mecha-samurai sporting horns and a huge chain gun!

Mark Watson

The Bristolian gagster talks gravestones, panel shows and free cider!

Hi Mark! Your new series is called *Mark Watson Kicks Off*. Do you neck a dozen lagers then loudly call the bloke beside you "a wrong 'un"? Yes. We felt it was about time there was more mindless city centre violence on TV. I'm a fairly light build, so it's me drinking two pints of lager in six different cities. You get to see some architecture, but it's mainly violence and boozing. If only that were true! We've heard it's actually a sports panel show where points are awarded for opinion and passion, rather than "correct" answers. Isn't it going to be tricky to keep score? Points are awarded for how well you make your case rather than actual fact. So, yes, the scoring will be largely b*slocks. Would England do better in Euro 2012 if goals were awarded in the same way? Say for players' haircuts and WAG quality? Well, the old-school "How many goals can you score?" thing isn't working out for us. I don't know what the wives of other countries' footballers are like. But as it's being held in Ukraine and Poland, I'd imagine the local WAGs will be fairly low-key.

Is it fair to still call football "the beautiful game" now it's full of cheats, crooks and infidelity?

Football is like a woman who was once beautiful but has had a series of unsuitable lovers. You can still see the beauty but you have to look through layers of shame. Football's like a disgraced-but-still-sneakily attractive old dame.

You're from Bristol. Do you share bunk beds with Justin Lee Collins, Russell Howard and Stephen Merchant? I wouldn't want to share a bunk bed with Justin Lee Collins. He'd rustle about all over the place. Steven Merchant? I don't think he's a bunk bed man at all. Plus, I don't live in Bristol any more, so it would be illogical.

We've seen that you write for the Bristol City match day programme. Is it mainly rhyming things with "Bristol City"? No, if we did do that, it would be in all sorts of difficulties. My column is a witty deconstruction of the increasingly dreadful things that are happening to Bristol City.

You were once team-mates with Deborah Meaden on *Would I Lie To You*? What's your killer idea for *Dragons' Den*? Gravestones with little TVs in them, so you can watch a video of the dead person talking to you. Gravestones are very expensive – you pay a lot of money just to have some words chipped into stone, which I think is a bit impersonal. The future is state-of-the-art techno gravestones. I'm prepared to sell ten per cent of this for £170,000! **You're on! Is your fridge full of Magners Pear Cider and Innocent smoothies after doing their adverts?** I got sent one crate of Magners but I had to drink so much of the bloody stuff filming the advert that the last thing

I wanted to do was neck any more! I have a lot of Innocent smoothies, but I buy them myself as they didn't give me any for free. Likewise, I haven't been given any free lams, even though I recently did the commercial.

[Does unenthusiastic impression] "I'm not just a cat, I'm an lams cat." Actually, Dawn French was the lams cat. I played the sidekick.

How about being the phone on the Direct Line advert?

[Sings jingle] What do you think I am? Some kind of whore?

Er... well... Last question – who would you shag, marry or push off a cliff out of Sue Barker, James Corden and Gary Lineker? Gary Lineker has just married Danielle Bux, so I can't imagine he'd want to leave her for a civil partnership with me. But he's a hero of mine, so I'd shag him if I had to – just to meet him. Sue Barker, I'd marry. Which leaves me pushing James Corden off a cliff, which is sad as I've got nothing against him.

Rubbish calendars!

All of them genuinely for sale!

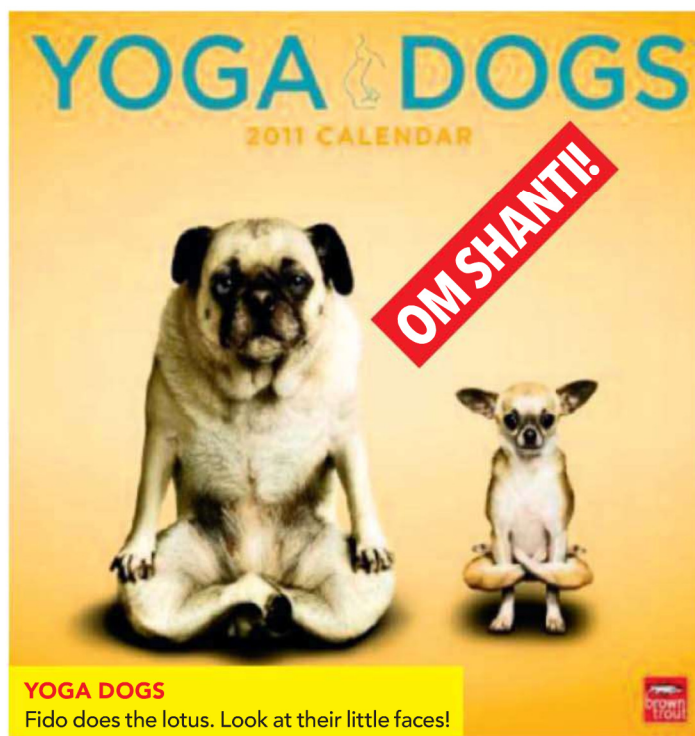

We devote a lot of space in *Nuts* every autumn to the papery delights of our lovely ladies' calendar output. And while trees gladly offer a branch or two in sacrifice for that content, not all calendars are created equal.

Indeed, judging by this rather daft collection of 2011 calendars, big-boobed lovelies aren't everyone's cup of tea. In fact,

some people's cup of tea is, quite literally, a cup of tea!

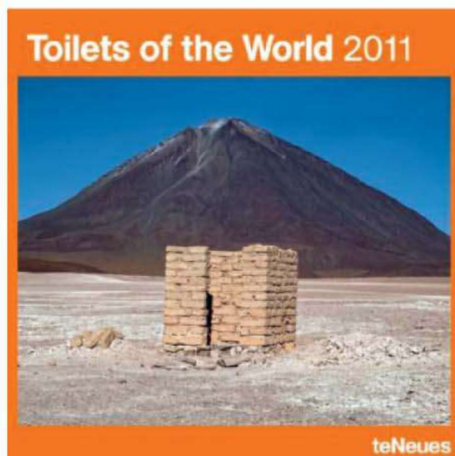

With that in mind, you might want to make your colleagues aware of the fact that you'd much rather have a busty lady to gaze at all year round, rather than a goat in a tree – just in case they draw your name for this year's office secret Santa!

'I impaled my leg!'

Unfortunate bloke gets wood – in a bad way!

Cement is useful for lots of stuff, like building houses and sending snitches to the bottom of the sea. It's definitely not a good idea to mix it with a nasty injury, like Dave Russell from Birmingham!

Gate-fitter Dave tells *Nuts*, "This happened just last week when I was clearing out the back

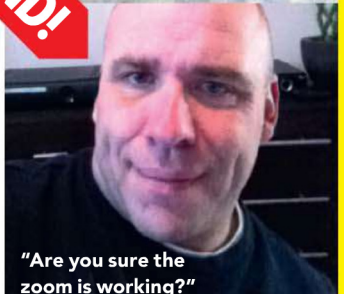

of my van. I went to step out the rear but tripped over a bag of powdered cement, forcing me to step into a box of wooden spikes.

"The next thing I knew, the cement fell in the box as well! When I eventually lifted my leg out, I found it was impaled on a 30-centimetre splinter and the blood gushing out was mixing

with the cement and actually setting around my leg!

"I was in hospital for three days having the contaminated flesh removed, and I was left with a 20cm hole, which I'm still waiting to heal over.

"I should make a full recovery but this is the last time I start building a gate in my own leg!"

You dirty rat

Timmy's dad is sitting on the edge of the bed putting a condom on when his son walks in. "What are you doing, daddy?" he asks.

Quickly bending forwards to hide his stiffy, his dad replies, "Oh, just looking for this rat I saw."

Timmy says, "Really? What are you gonna do when you find it? F**k it?"

Love thy neighbour

A young bloke's just moved into a new flat when he spots a sexy young lady coming out of the apartment next door, wearing just a dressing gown. The bloke smiles at her and they stop for a chat. As they're talking, her robe slips open, revealing her breasts.

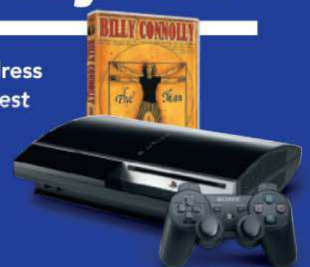

After a bit, she places her hand on his arm and says, "Quick, let's go to my apartment - I think I can hear someone coming!"

So the fella follows the woman next door, where she takes off her dressing gown. Now completely nude, she asks him, "What would you say is my best feature?"

Flustered, he squeaks, "Er, your ears!"

Frog princess

An old bloke's playing a round of golf when he slices a shot into the rough. He goes over and starts looking for his ball.

While he's searching, he spots a frog in the long grass. The frog looks up at him and says, "Sir, if you kiss me, I'll transform into a beautiful princess."

The old bloke bends down, looks at the frog, and puts it in his pocket.

The frog says, "Didn't you hear what I just said?"

The old man replies, "Yeah, but at my age, I think I'd rather have a talking frog!"

Meet Danica!

**Gents, say a big
hello to *Nuts*'
latest discovery!**

Here at *Nuts* Towers, we're committed to bringing you the hottest babes, so prepare to be amazed by our latest discovery – a 30E diamond from Derbyshire! ➔

Hi Danica! Many congratulations on signing for *Nuts*! How does it feel? It feels

great! I'm delighted! I always read *Nuts* to have a look at all the hot girls! I like to know what it is the guys are looking at, so I normally have a look when I'm doing my shopping in the supermarket!

Tell us a bit about yourself.

The one thing I love to do in my spare time is horse riding. *Nuts* should do a photo shoot with me and the horses. That would be great fun!

What's your favourite part of your body? I love my boobs but my favourite part is my stomach because I'm quite slim and it's nice and toned!

What's more important in a man – good looks or a sense of humour? Sense of humour!

How can a man catch your eye? I love my men to be tall, dark and handsome with a hot dress sense. If I was interested in a guy, I'd do everything I could to attract his attention without being too obvious!

How do you let a man know you like him? I try to keep eye contact and giggle if we're having a chat. I make it quite obvious so that guys don't think I'm going to just turn around and walk away!

Where's the most adventurous place you've had sex? On top of a hotel in St Tropez! It was quite out in the open, the lift doors opened straight out on to the roof where there was a huge balcony and everything. It was really exciting!

What puts you off a bloke?

Arrogance – I hate that! I really don't like guys with small hands, either. Also, I don't like guys who wear fake tan or bite their fingernails – that's a real turn-off!

Are you a good girl or a bad girl?

I'm a good girl when I need to be but I've got a naughty streak, which probably comes out a little more often than it should!

Thanks, Danica. See you again soon? I hope so! I've really enjoyed this photo shoot so hopefully *Nuts* readers will be keen to have me back soon! ■

CLARKSON

Nuts has a laugh with Jezza on the set of his new DVD!

Hi Jeremy! This year you've upset all sorts of people – women who wear the burqa and the Welsh, for example. How long before the BBC have your mouth sewn up? Woah! I don't think I've upset anyone. These are people who call themselves "action groups" but are, in fact, a person in a loft with a beef. They watch TV, I say something, they write to the *Daily Mail* and suddenly I've "sparked fury", to use the tabloid expression. But I haven't. I've upset one person. If you make a programme that's watched by eight million people and you upset four million, then you'd go, "I've really cocked up here." But when it's just some saddo in a loft, you haven't. Will you buy *The Stig's* book if he buys yours? No. Were you disappointed *The Stig* didn't die when he removed his helmet like Darth Vader at the end of *Return Of The Jedi*? Yes.

You're out for a Sunday drive and *The Stig* steps out in front of your car. Do you brake? Yes. OK, moving on. Fancy a job swap with the *Loose Women* ladies? No! I've watched *Loose Women* and they go round in circles, without ever achieving anything. If men hosted it, the show would last 30 seconds. "What do you think of that?" "It's b*lllocks, you're a tw*t!" Next question." I don't think we could stretch it out for long enough.

Tom Cruise was on *Top Gear* recently. Apparently, you're not supposed to look him in the eye. Did this make things difficult for fellow shorty Hammond? Rubbish! He's four inches taller than Richard Hammond! We've got a back-to-back picture of them. You hear these stories and think a monster's going to arrive but he couldn't have been more personable and charming. Not that I talked to him, because Cameron Diaz was there as well.

NUTS MAN!

TURN OVER FOR MORE JEZZA!

"What makes you think Hammond is the new Stig?"

SHRUNK STIG!

You've topped a lot of opinion polls recently. One poll we read said you've got the world's best job, beating the likes of President Obama, the Pope and even Father Christmas. This is the best job in the world! It honestly is. It's so good I've only taken one day off all year, and that was to go to the World Cup Final. We didn't know you're a football fan. If you've got a 14-year-old son, trust me, you become a Chelsea fan, because he lives, breathes, eats, walks and talks only about Chelsea.

"This is the best job in the world. It honestly is"

Another poll said you'd make an ideal fantasy house-sitter, apparently beating the likes of Christine Bleakley, Wayne Rooney and Cheryl Cole.

House-sitter? Not me. I'd break everything. People think Wayne Rooney would be good? Ha!

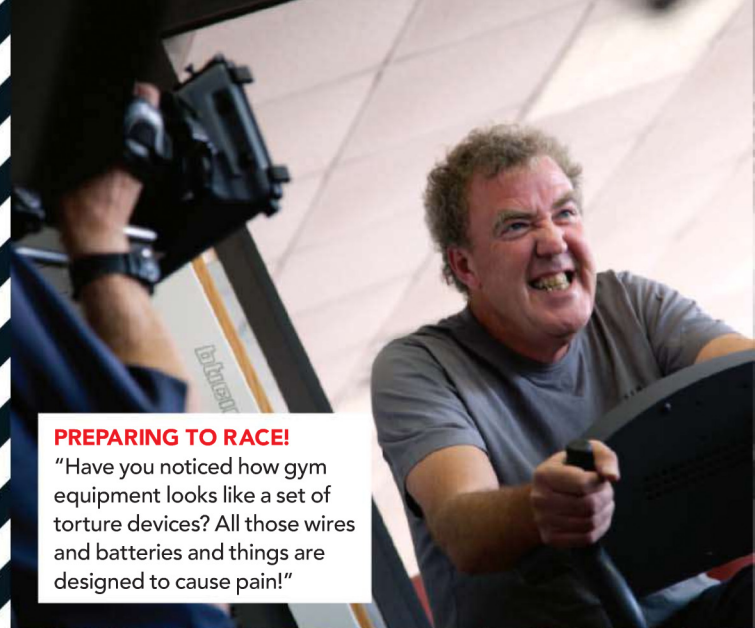

You're also people's dream front-seat passenger, beating Kylie Minogue, Stephen Fry and Angelina Jolie. No way. Just talk to my wife. She'll tell you I'm the world's worst front-seat passenger. I fiddle constantly

with the controls, the radio and the air-conditioning.

You're also people's second choice for Transport Secretary, losing out to Sir Richard Branson, but beating Lord Sugar and Joanna Lumley. You can't have Richard Branson, it's not right! They should give the job to me. Then I would abolish it. Adult human beings are fantastically clever and quite capable of making up their own minds about all sorts of things. For example, whether to use the telephone, or how fast to drive. You don't need a government department costing millions of pounds to tell sentient beings what to do.

Blimey! Finally, four thousand ladies who were polled for an internet dating site think you have the largest manhood in show business at ten-and-a-quarter inches, beating Gordon Ramsay at nine-and-a-half inches, Daniel Craig at nine inches, and Simon Cowell at eight-and-a-half inches. Having never showered with those people, I'm unaware as to how one would stack up. So, what are you saying here, Jezza? Could you confidentially stroll into the shower knowing that Ramsay, Craig and Cowell were waiting and hold your head up high? No, I couldn't! ■

We've seen a lot of Lucy's raunchy side lately in a series of naughty bondage-themed shoots, so we thought it was time we allowed her to show off her sweet side. And, as you can see, it's very sweet indeed!

Hi Lucy! Do you ever wear this kind of sexy stuff in real life? Of course I do! Sometimes, I take things home from the shoot to test them out in the bedroom.

You've got to, haven't you?

You do! Do you prefer the lights on or off in the bedroom? In general, I think on, but both are quite different. Sometimes, you want to see everything and sometimes you want to get the mood right with the lights off. So overall, I suppose I like an equal amount of both! ➡

And if the lights are off, you can always pretend it's someone else, can't you? Oh no, I'd never do that! But yeah, some people will do that if it floats their boat. Not for me, though!

What would you have done if you hadn't been a model?

Oh God, I have no idea! I didn't really know what I wanted to do. I had a vague idea of going to university to work towards being an English or art teacher. Lucky for us that never happened, eh?

Indeed. Which TV show would you most like to appear in?

I would've loved to have been in *The Inbetweeners*, but they're not making it any more! If they make any more special episodes I'd love to be in it. But maybe it's one of those things where you love it so much, maybe it's best to keep your distance in case it gets ruined for you.

If your life depended on it, would you eat a spider?

Would I what?

Eat a spider. Well, if my life depended on it, I would, of course! I don't like spiders at all but I think I'd be able to swallow one pretty quickly.

What do you get up to in your spare time? I like watching car racing. I love that driver Jason Plato – I want to be his grid girl! We watched him win the touring cars this year up at Brands Hatch. I was thinking, I could do that! But if they won't let me race, I could definitely be a grid girl.

If you went to Vegas and had to bet your house on red or black, which would you go for? Black.

But gambling is one thing I've never really got into. It's too addictive. If you just chanced it and won something on the first time, then I see how you'd think you'd win all the time. I went to the races for a friend's birthday recently and kept winning just by total fluke, and I was like, "I could keep going here," but my friends forced me to stop! ➡

LUCY PINDER

What's been the best holiday you've ever had? I love holidays in Cornwall, I think they're really fun. When you go abroad, it's lovely, but all I really do is lie around in the sun and eat a lot. Whereas at least if you go somewhere in England, you sniff out some history and do stuff.

If we were going to cook you a romantic dinner what should we serve? Oh, I'm really not fussy. I love so much food. You can't go wrong with Italian. I like French

food as well. I'm an easy date to impress as far as nosh goes!

What foods do you think are best in the bedroom? I know I sound like a real party-pooper but food should just stay in the kitchen – it's just too messy! I think they're two things that don't need to mix. I don't get turned on by being sticky!

What kind of things do you find sexy then? I think it's fun to add bits and bobs to your sex life but I think generally that it's just

really important that you absolutely fancy the pants off someone and you want to have sex with them all the time! That's pretty high up on the list of things of what makes a happy relationship... that you just want to have sex all the time!

What's your favourite kind of sweet? Well, we got a whole tub of sweets for Halloween and we didn't get a single trick-or-treater! I dressed up and nobody came round!

Have you thought about getting any more tattoos? I haven't, because I think it's a little bit addictive. I went through a stage of thinking that I wanted a really big one on my back, but I didn't do it. I think my rule with tattoos is that it either looks good if you've got a couple of small ones, or you're a Kat Von D [from TV show *LA Ink*] type and you're literally covered. I'm not really interested in having sporadic tattoos here and there. ➡

"IT'S FUN TO ADD BITS AND BOBS TO YOUR SEX LIFE!"

LUCY PINDER

"IDEALLY, I'D WANT
SEX ONCE A DAY!"

Who's your favourite footballer?

I actually like lots of footballers!
I really like Andrey Arshavin – he makes me smile. Footballers have a bad reputation, but lots of them are nice, down-to-earth guys.

When you go out to the clubs, what music do you dance to?

Well, I only really dance to Michael Jackson and '80s soul music. Some people can just dance to whatever, but if I don't like the music it just puts me in a bit of a strop and I can't dance!

Are you watching *The X Factor*?

I am watching it, I think it makes quite good telly. I Sky+ it, though, and fast-forward through the bits I don't like and all the adverts.

I think Matt's going to win – Matt in the hat. I think Cher's really good at what she does, too.

Thanks, Lucy! In an ideal week how many times would you have sex?

Ideally, once a day. The more you do it, the more you want it. It's like eating chocolate! ■

SETTLING LOCAL DISPUTES, EVERY WEEK!

Arsenal vs Spurs special!

With legendary pundit Andy Gray!

The North London derby is always a cracker, with both teams desperate for bragging rights as well as the three points! *Nuts* caught up with Andy Gray for his expert opinion on the big game.

Andy Gray is searching for the Betfair Penalty Champions. Help fans take pens at Old Trafford – betfairpenaltychampions.com

Andy on the North London rivals!

ARSENAL

"Had they beaten Newcastle and West Brom at home, they'd be top of the league – that's how close they are to getting it right. They can beat any team if they're on top form and I think this side is getting stronger all the time. They've a host of talent to choose from, which means they could go close again to winning the league."

SPURS

"Disappointing at Bolton, they were fantastic against Inter, so we know they can beat the big sides. They've had problems scoring, though. Peter Crouch is struggling with league goals, Jermain Defoe has been injured and Rafael van der Vaart's their top scorer in the league, so they aren't getting enough goals for a top team."

"What was that you said about my hairband?"

Andy's key men!

CESC FABREGAS

"If Spurs can stop Fabregas from influencing the game, that will help immensely. Newcastle did that when they won at the Emirates recently. They restricted his space in midfield so he couldn't work the ball, but it's a big job for Spurs to keep him quiet."

GARETH BALE

"It'll be very interesting to see how Arsene Wenger sets up to deal with Gareth Bale. Theo Walcott doesn't get back much, which would leave Bacary Sagna exposed, which in turn could cause a problem. Eboue is also an option on the right side, though."

"Yes! That mansion in Barcelona's come through"

"Ape shall not kill ape"

Andy on the gaffers!

ARSENE WENGER

"He doesn't think negatively, so it might be a case of letting Spurs worry about his team rather than the other way round. He may well pick his best team and tell them to just keep the ball. Arsene's got a good record against Spurs."

HARRY REDKNAPP

"Harry will play his strongest side, with Van der Vaart just off the striker and Bale attacking the left side. Harry will have to decide if he puts two 'spoilers' in midfield and sacrifice Luka Modric. Despite injuries, the back four's still pretty good."

BOSS OF BOSSES!

"Lahvely whistle, Arsene, but I'd have it got half price"

Andy on the keepers!

LUKASZ FABIANSKI

"He's done OK in previous games apart from an error of judgment against Newcastle, which did cost them. It's an area that's still under some doubt and Arsene will probably look to strengthen in January."

HEURELHO GOMES

"In the past there's been a lot of criticism, but I think Gomes has done well this season. I'd be surprised if Harry is worried about him at the moment and I doubt they'll be looking for a new keeper in January."

"Hmm, I must have the world's worst goalie kit"

"Hmm, I must have the world's worst goalie kit"

Andy on the key area!

WHERE IT'LL BE WON

"It's usually the midfield battle that decides these games. If Arsenal are allowed to dominate the ball in that area, they'll create chances and win matches. Harry has got to be sure that his side can keep the ball here and use it well."

"Mmm, I love the feel of your head"

IT'S ARSENAL'S!

Andy's prediction!

ARSENAL 2-1 TOTTENHAM

"In big games, it's very rare that the home team loses. One of the criticisms of Arsenal last year was that they didn't have the option to get it up front. With Chamakh, Arsenal do now cross the ball more, which isn't a bad thing. They also get the ball in the box a lot – and that near-guarantees goals."

KAMMY!

ONLY IN
Nuts!

He's footy's funniest pundit – and he's only in *Nuts*!

"Yes! I've had a vote of confidence... Oh"

Give Chris a contract, or it's shame on the Toon!

What a fantastic job Chris Hughton has done at Newcastle United over the last 18 months. But does he get the credit for it? No, he doesn't.

The simple fact is that he's not a big enough name to satisfy some of the Geordie fans, despite the way he took them straight

"The Newcastle squad are fully behind him"

back to the Premier League last year, and the brilliant form his team have showed in starting this campaign – sitting pretty in the top half of the table when hardly anyone outside Tyneside gave them a chance in August.

You can tell that the squad of players he has at St James' Park are fully behind him, yet the owners have embarrassingly stalled on giving him a long-term contract, presumably hoping a bigger, more fashionable name will come along and show an interest in the role, leaving Chris

having done all the hard work but getting none of the credit.

Throughout the whole sorry saga, Chris has conducted himself with the utmost dignity, getting on with the job in hand, bagging results like the superb away victory at Arsenal recently, and refusing to comment on the scandalous rumours that he could be given the sack.

If he was to be sent on his way, it would be one of the most shocking decisions of all time – the man has done nothing but good for his football club.

I think a lot of the fans can see that now, and are happy with him running their beloved team.

One man in the news is Andy Carroll, and I'm sure Chris has had him in the office a few times this season! But after his goal at the Emirates, it was Hughton that Carroll ran to embrace, showing the unity that the man has brought to the club. I just hope that the owners recognise Hughton's huge contribution so he can get on with the task of restoring Newcastle's reputation over the next few years.

CHRIS' CRYSTAL BALL!

Chris predicts the week's big games!

1 ARSENAL VS SPURS
21 NOV, 1.30PM, SKY SP 1/HD

"This should be a cracker of a derby, with a resurgent Spurs showing what a good squad they have now. I think Wenger's men will just shade it, though."

2 FULHAM VS MAN CITY
21 NOV, 4PM, SKY SP 1/HD1

"I've been a bit disappointed with Fulham of late, they're drawing too many games and are missing Bobby Zamora a lot. I think they'll get another one here."

3 SUNDERLAND VS EVERTON
22 NOV, 8PM, SKY SP 1/HD1

It's been a bit of a weird old season so far, hasn't it? With Newcastle, Bolton and West Brom all sitting pretty in the top half of the Premier League table, we thought we'd ask a proper football expert who he thinks will actually go down at the end of the season, and who'll

still be playing top-flight football in 12 months time.

Step forward former England star, Premier League legend and Sky Sports sensation Paul Merson. So who's going down and who's staying up? Over to you, Mystic Merse!

MERSE!

"Who nicked my false teeth?"

Birmingham

"They just don't score enough goals. They won a lot of games 1-0 last season, but that can't continue forever. They work hard and they've got a good manager, but they need more firepower to avoid a dogfight at the bottom."

MERSE'S VERDICT: BOTTOM SIX!

"I'm going to happy-slap it!"

FACING THE DROP!

Sunderland

"Too much responsibility rests on striker Darren Bent's shoulders. If he doesn't score, no one else looks likely to. To be fair, Asamoah Gyan has scored a few lately, so maybe Steve Bruce needs to give him more of a run in the team."

MERSE'S VERDICT: BOTTOM SIX!

"Hold on, shouldn't I be pulling your shirt?"

Blackpool

"Ian Holloway's men have played some great stuff and done well, but I still fear for them. There just isn't the quality in depth to keep them in this league. I hope I'm wrong because Ian Holloway has worked wonders at the club!"

MERSE'S VERDICT: RELEGATED!

RELEGATION BATTLE!

"Oh look, it's a buttercup!"

ON THIN ICE!

West Brom

"I wouldn't get too carried away with West Brom. They've performed above everybody's expectations, but this is a ruthless league – go a month without a win and you're in serious trouble. That said, I think they'll stay up – just!"

MERSE'S VERDICT: BOTTOM SIX!

"Any chance of a piggyback?"

Wigan

"Wigan are in big trouble, I reckon. They concede too many goals and, as a selling club, will have a battle to keep their best players. I can see Charles N'Zogbia, Maynor Figueroa and Hugo Rodallega all leaving in January."

MERSE'S VERDICT: RELEGATED!

"Oh yeah, baby, that's the spot... Right there!..."

GOING DOWN!

West Ham

"These lot are like a bag of Revels – you never know what you're going to get. I think they're in *real* trouble. They've got no confidence and look like they're expecting to drop out of the top flight. I certainly think they will."

MERSE'S VERDICT: RELEGATED!

Gentlemen, the SEAT Sex Drive – the show that aims to answer once and for all whether lads are really better drivers than lasses – is reaching its climax! This week's challenge is Pitstop, where both teams have to rebuild a partially stripped SEAT Leon CUPRA R! And the winning team is the one that's quickest to assemble the car and drive it out of the workshop – awesome! You don't want to miss it! We sent ludicrously hot Nuts babe India and

Nuts man Sam along for our very own battle of the sexes! After pegging one back in last week's Stunt Drive, Nuts man was looking to level the series. So he put his DIY skills to the test and had the car out of the workshop in minutes – easy! But despite being good with her hands, India was too worried about ruining her nails, so Nuts man did the boys proud and levelled the contest at 2-2 – get in!

Nuts GAMBLING MASTERCLASS!

We poured this advice into a *Nuts* man's head and sent him online to try to win!

Deal or No Deal top tips!

Deal or No Deal is a game enjoyed just by those who believe in a "system", right? Well, the TV game show might be, but the multi-line slot isn't!

For as little as 5p a go, you can win big – and if you're willing to play on all lines, you could win a progressive jackpot. In fact, one winner walked off with £1.96m!

And best of all? You can win big money in the comfort of your own home!

HOW TO PLAY

- The aim is to get winning symbol combinations from a spin of the reels, with the ultimate aim being to win the progressive jackpot.
- You can gamble up to 20p on each of the 20 pay lines. That's up to 20 chances to win on each play!
- The progressive jackpot can only be won on the Deal or No Deal bonus game, but there are also two other fun bonus games called Banker's Offer and Mystery Box Bonus, where you can win cash.

THE NUMBER LINES

It's all self-explanatory – click the number beside the reels, or the "Bet One" or "Bet Max" button. Choose Bet Max for the chance to play the bonus game and win the biggest jackpots!

DEAL OR NO DEAL BONUS GAME

If you're betting on all 20 pay lines and you get three Deal or No Deal bonus symbols on any pay line, the bonus game begins. This is much like the *Deal Or No Deal* TV show, only the big progressive jackpot is at stake here. Don't be too greedy or, like us, you could end up with £8 instead of £100!

He won big!

David R won £58,236 on Deal or No Deal!**

"I'm so shocked, I took the day off work. It's so hard to believe this is all real!"

STORIES!**

TO OUR SECRETARY!

IT'S LOU!

CONFESSION OF THE WEEK!

'Three girls jumped on me'

I got a job in a strip club a few years ago to pay my way through Uni. I loved it! The girls were really friendly and we'd often spend our nights off round each other's houses. One of the girls had just done a massage course and wanted guinea pigs to practise on, so I stripped naked and climbed onto her table, and she covered me with oil. It felt amazing but I soon became aware of an extra pair of hands tracing around my bum and then between my legs. I clenched at first but as I relaxed, I became aroused. I turned over and one girl started licking my nipples. She then straddled my face and hearing her moans of delight made me grind on the other girl until I came. Apparently, it's a test they give new girls – I passed!

Morgan, Swansea

'He tore my dress open'

My best mate and I went to a uniform party at our local nightclub. We went as sexy policewomen, wearing police

hats, tight black knickers and fishnets. We got loads of attention but our favourite guys were dressed as sexy sailors. One was particularly my type – dark, curly hair and brown, moody eyes. After a night of flirting and dirty dancing, I invited him back to

mine for a drink. I'd just poured us a glass of wine when he appeared in the kitchen and started kissing me. I've always liked it a bit rough and I told him so. He tore open my dress and started nibbling my neck and breasts, giving me playful slaps on my bum. We raced upstairs and he stripped me down to my black French knickers. After some hot and heavy foreplay, he took me from what seemed like every position until the early hours of the morning. I was totally exhausted in the morning and had a few tell-tale bite marks on my skin, but it was well worth it!

Coral, by email

'I had a play in hospital'

I work as a nurse for a private hospital. It's very grand and an extremely professional place. Once during a night-shift, I was on my rounds and I found a naughty magazine under a bed in one of the rooms. I wasn't sure what to do with it so I took it back to the nurse's station with me. I couldn't resist having a look and to my surprise, I became really horny. I got more and more aroused and knowing I was alone, decided to have a cheeky play.

I hitched up the skirt of my uniform and spread my legs wide. I stroked myself through the thin fabric of my lace knickers and felt the warmth rush through my body. Pushing my fingers inside myself, I found my G-spot and expertly rubbed it slowly and

steadily. I carried on for a few minutes until I came hard. Once I came to my senses, I rushed off to the bathroom to tidy up and scrub myself clean.

Karen, Epping

'I pleased him on a train'

My boyfriend and I went to Paris for a weekend recently and took the super-early Eurostar from London. We were really excited about our break and giggled like schoolkids on a field trip. Our carriage was pretty empty and those who were near us were fast asleep. I suddenly felt a little bit cheeky, so I reached over and, to his surprise, grabbed my boyfriend's groin. I rubbed him up and down and he got very hard under my fingers. I slowly unzipped his jeans and his package bulged out from his pant buttons. I pulled it out and started working on the shaft, trying to be as quiet as possible. He loved the thrill of it and he tried his best not to gasp out loud. I worked faster and faster, licking my lips while I whispered dirty things in his ear. After a minute or two, he came all over my hand, just moments before the food cart appeared!

CERT 12 BLU-RAY

The most successful film of all time gets the ultimate Blu-ray release. There's an extended-length cut that's a whole 16 minutes longer,

plus documentaries, behind-the-scenes featurettes, artwork and over 45 minutes of deleted scenes in a package that features over eight hours of never-before-seen material. Not as good without the 3D effects but still brilliant! ★★★★★

AN IDIOT ABROAD

CERT 15 DVD & BLU-RAY

Ricky Gervais' pal visits the Seven Wonders of the World and is unimpressed at almost every turn. Amazing! ★★★★★

FRANKIE BOYLE: IF I COULD REACH...

CERT 18 DVD

The angry Scottish comic brings his cutting wit to the stage with a side-splitting stand-up gig. Not for your parents! ★★★★★

RHOD GILBERT AND THE CAT THAT LOOKED...

CERT 15 DVD

Prepare to laugh yourself silly as Gilbert lets things like Hoovers and washing machines wind him up in a big way. ★★★★★

MUSIC!

TAKE THAT PROGRESS

Is it safe to like Take That now? We think so – they're mature now, a bit weird and experimental, Robbie's back, and they're not rubbish. Boys, you're OK! ★★★★★

RIHANNA LOUD

The princess of the saucy video (Lady Gaga's the queen) drops her fifth album, featuring guest drops from the likes of Drake and Eminem. Decent. ★★★

The latest action-packed releases!

Ratings: ★★★★★ Genius ★★★★★ Very good ★★★ Investigate ★★ Alright ★ Rubbish

MOVIES!

Ex-rugby player Martin Bayfield plays Hagrid in long shots

Look out for Welsh hellraiser Rhys Ifans as Xenophilus Lovegood

HARRY POTTER & THE DEATHLY HALLOWS PT1 CERT 12A

There's no escaping the boy wizard, but as he's got older, the films have got darker. As Daniel Radcliffe prepares to waggle his wand (not that one!) one last time,

Voldemort's power is rising. So Harry, Ron and Hermione (Emma Watson – now OK to fancy!) take on "he who must not be named". Hang on, we just did! Eek! ★★★★★

DREAM HOME CERT 18

Friday The 13th meets Property Ladder when a Hong Kong yuppie goes on a killing spree. Finger-chopping, gut-spilling mayhem featuring death by basically anything in sight! ★★★★★

TODAY'S MUST-SEES

"Woah! It's ticking!"

Arsenal vs Tottenham

Sky Sports 2/HD, 12.30pm

SPORT It's not too long ago that the red side of north London mocked their great rival's endless calamities. But thanks to the likes of Gareth Bale, Rafael van der Vaart and Luka Modric, Spurs are now more than capable of wiping the smile off the Gunners' faces. With eight goals scored in their last two meetings it's likely to be a thriller. This is now a derby that's really come into its own, which makes it even more of a shame that Arsene Wenger is unlikely to see any of it! ★★★★★

CAPITAL DERBY!

Grand Slam Of Darts

ITV4, 1pm

SPORT More coverage from Wolverhampton's palatial Civic Hall, where day eight brings the first two quarter-finals. There were upsets galore at this stage last year - who would bet against the same happening once again in 2010? ★★★★★

The Armstrong & Miller Show

England vs Samoa

Sky Sports 1/HD, 2pm

SPORT Nobody in their right mind would want to square up against 15 hulking bruisers from the South Pacific. But if England want to build for the World Cup, they'll have to do just that. ★★★★★

"No hit the skunk on my head!"

UFC 123

ESPN, 3am

SPORT The action keeps on coming from those tough-fighting chaps of UFC - this time from Detroit. Watch Quinton Jackson (above left) and Lyoto Machida go at it - if you can handle staying up until the early hours of the morning, that is! ★★★★★

COMEDY KINGS!

The Trip

BBC2, 10pm

COMEDY

This partly improvised docu-comedy has Steve Coogan and Rob Brydon continuing their restaurant road trip with a visit to a posh eating gaff near Kirkby Lonsdale, reviewing the grub for a Sunday newspaper. It's basically the pair of them sitting at a series of tables arguing and doing impressions of actors, and it's absolutely hilarious! If you want a taster, head to nuts.co.uk for some smashing clips and see what you think. It's a little bit off the wall, but in a good way, and we think it'll have you bent over laughing. Brilliant! ★★★★★

Sunderland vs Everton

Sky Sports 1, 7pm

SPORT

David Moyes' team go north to face the Black Cats in search of points. Both sides are loitering around mid-table, knowing just a few wins could lift them into the top six. ★★★★★

"You've got hair coming
out your ears! Ha-ha!"

Chris Moyles' Quiz Night

Channel 4, 10pm

QUIZ

This week's instalment of Moyles' celeb show promises to be above average, as guests are Welsh funny-lady Ruth Jones, comic Paddy McGuinness and chef Heston Blumenthal. ★★

Accused

BBC1, 9pm

DRAMA

You'd hardly turn to a Jimmy "Cracker" McGovern drama for laughs, but for grittiness, you won't go far wrong. Tonight's tense courtroom tale follows the events that lead to a wayward soldier's appearance in the dock. ★★★★★

TODAY'S MUST-SEES

"Thirty mins
at gas mark
seven... oops!"

BLOODLUST!

Law Abiding Citizen

Sky Movies Premiere/HD, 10pm

FILM Enjoyable revenge fantasy nonsense, with Gerard Butler playing a devoted family man who sees his family brutally murdered. When one of the killers walks free so that his accomplice can be convicted, Butler tracks the man down to give him his just desserts. He's then thrown in jail – but while incarcerated, other people involved in the murders continue to die in decidedly nasty ways... So, who's killing them? ★★★★★

"Ooh, look at
the pretty stars!"

SC Braga vs Arsenal

Sky Sports 2/HD, 7pm

SPORT Arsenal travel to Portugal knowing a win will take them through to the next stage of the Champions League. A win for SC Braga would see them join the Gunners on nine points. ★★★★★

The superglue
prank always
raised a laugh

Frankie Boyle Live

Channel 4, 10pm

COMEDY Devastatingly funny and incredibly offensive, Boyle's 2008 Hackney show hammers target after target with blistering one-liners – including most of the audience! ★★★★★

"OK, I give in!
We'll paint it
beige then!"

CSI: Miami

Five, 9pm

DRAMA A frankly ludicrous plot has the ghost of a 15-year-old who died in a fire pleading with Calleigh to find out who was responsible for his death. Hmm, something tells us she might have trouble making this one stand up in court! ★★★

TODAY'S MUST-SEES

"No, my hand's definitely bigger than yours!"

THE ASHES!

"Hey! I saw it first"

Rangers vs Man United

ITV1, 7.30pm

SPORT Expect fireworks as a hostile Ibrox crowd welcomes United for what promises to be a cracking game. Rangers need a win to progress, whereas a draw's good enough for United. ★★★★★

"No belly button fluff on me!"

The Girl Next Door

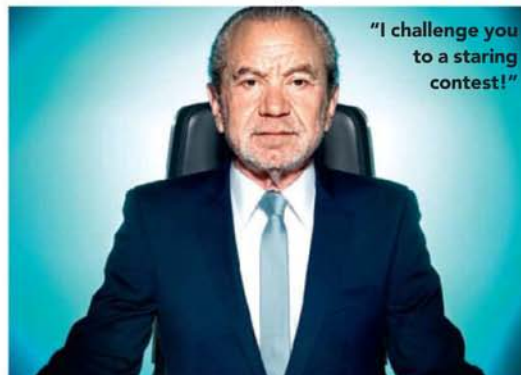

FILM Decent comedy starring Emile Hirsch as a nerdy kid who falls in love with his sexy new next door neighbour, 24's Elisha Cuthbert. The problem? She's an ex-porn star with a seriously deranged ex-boyfriend! Give it a punt! ★★★★★

Australia vs England

Sky Sports 1/HD, 11pm

SPORT Is it that time of year already? It surely is, and we can't wait! Yes, there may be a few bleary eyes in the Nuts office over the coming weeks, but a) that's nothing new (even though most of them are caused by hangovers), and b) if you think we're going to miss the very real possibility of giving the Aussies a stuffing on their turf, you've got another think coming! Yep, England are going down under as favourites to bring the hallowed Ashes urn home with them. Bring it on, Aussies! ★★★★★

"I challenge you to a staring contest!"

The Apprentice

REALITY Selling English crisps in a Hamburg bierkeller? The Nuts team could successfully pull off that caper and still have time for a bevvy. But not this bunch of ego-crazed buffoons. Hell no. Cue German chuckles... ★★★★★

TODAY'S MUST-SEES

FUNNY BLOKES!

"Have you been Tipp-Exing your teeth again John?"

Live At The Apollo

COMEDY BBC1, 9.30pm
Something of a dream double act for fans of stand-up, this one. Support is provided by affable Liverpudlian funnyman John Bishop, who seems to have come out of nowhere over the last year to become one of the top draws on the UK comedy circuit. And then, hosting the whole shebang, you've got Sean Lock, who is, for our money, one of the funniest men in Britain right now, with the perfect mixture of cracking gags and bonkers surrealism. Beers in, phone off, top night! ★★★★★

"I'd give it 20 minutes in there if I were you!"

The Big Bang Theory

E4, 9pm

COMEDY An embarrassing secret of Howard's comes to light, Sheldon and Raj have a geeky war at work, and Wolowitz recruits a couple of sci-fi legends as love gurus. ★★★★★

"You never told me In The Night Garden was this scary!"

True Blood

E4/HD, 10.05pm

DRAMA The second series of blood-sucking brilliance ends with this double bill. Sookie is forced to be maid of honour at Maryann's sacrifice, while Sam must put his trust in his new ally as he tries to save the town. Roll on series three! ★★★★★

"Greased lightnin', go greased lightnin'!"

Misfits

E4/HD, 10pm

DRAMA The mysterious masked man saves Alisha from a mugging, then tries to find out more about her, while Nathan begins to act strangely after a visit to a tattoo parlour. Oh no – don't tell us he went for the Prince Albert! ★★★★★

Nuts Poker School

This week: our handy guide to poker hands

Unless you've been living under a rock for the past few years, you'll have noticed that internet poker has kicked off big time. So we've decided to join forces with internet poker legends PKR to create the Nuts Poker Room online. As the

expert players say, poker takes minutes to learn and a lifetime to master, so we've come up with this easy to understand guide to poker hands, so you'll always know what you're holding. It won't help you to spot those all-important "tells" when a rival

player is bluffing, or make you a better bluffer yourself, but at least you'll know what beats what in the final showdown. Just stick this guide on the side of your computer screen, and you'll always know if you should hold 'em or fold 'em.

1. Royal Flush

The five highest-ranking cards in sequence – 10, J, Q, K, A and all in the same suit. Nice, but comes around as often as Christmas.

6. Straight

Five cards in sequence, not all of the same suit. The highest card within the straight determines the winner when there are two straights.

2. Straight Flush

Five suited cards in sequence. The highest card determines the rank of two straight-flush hands – eg a nine-high hand beats an eight-high one.

7. Three Of A Kind

Three cards of the same rank and two non-matching cards. The rank of the three matching cards determines the rank of the hand.

3. Four Of A Kind

Four cards of the same rank. If you're holding four kings come showdown and a rival player shows four queens, then the kings win.

8. Two Pairs

Two separate pairs of matching cards of different ranks within the same hand, with an unrelated fifth card. Highest pair wins in a tie-break situation. Or the fifth card if there are two identical two-pair hands.

4. Full House

Three cards of the same rank, plus another two cards of the same rank. Where there are two full houses, the highest rank of triplets wins.

9. Pair

Two matching cards of the same value and three unrelated cards. The ranking of the pair determines the overall strength of the hand.

5. Flush

Five cards of the same suit that are not in sequence. If two players have a flush, the person with the highest card in their flush wins.

10. High Card

If two players turn over their hands, and neither have made any pairs etc, the person with the best five cards (including those on the flop) wins.
